Sliced Thin by The Editor
Alex. N. WashburnLittle Rock's
Grab Game—Now
It's U.A. Law School

Despite assurances by David W. Mullins, president of the University of Arkansas, that the Fayetteville campus will continue to be the major seat of the state school Arkansas citizens should be on constant guard against Little Rock's well-known habit of trying to grab from other cities everything that isn't securely nailed down.

We had thought that the taxpayers' enormous investment in the Fayetteville operation the last several decades made the Fayetteville site as secure as possible—but Little Rock's power-grabbers never quit trying.

Defeated in a half-century effort to move the university from Fayetteville the Little Rock schemers finally abandoned their frontal attack and made a back-door approach. They organized Little Rock college, put it deeply in debt, and then unloaded this strictly local outfit on the state taxpayers as a branch of the University, obviously in the hope that eventually the branch would swallow up the parent campus now at Fayetteville.

The next step was to start beating the drums for removal of the U. of A. Law School from Fayetteville to Little Rock—and a recent editorial in Arkansas Gazette frankly intimated that the major part of the university should ultimately be moved to the capital city, claiming that the economic center of the state should rightly be the educational center also.

Nevertheless a vast number of parents feel a non-metropolitan area makes for a better scholastic environment than a big city. That was the philosophy behind the Fayetteville location generations ago—and the spectacle of student demonstrations on big-city campuses the last decade has strengthened rather than weakened that position.

There's nothing new about The Star's anti-Little Rock position. The capital city was making threatening gestures toward Fayetteville when your editor came to Arkansas, at El Dorado, in 1923—and the battle has been continuing ever since.

The Little Rock "line" is that whatever helps Little Rock helps Arkansas—when the truth is exactly the reverse. And Arkansas' so-called "state morning paper" persistently compromises its position by upholding Little Rock's special interests rather than the interests of the state as a whole.

Man Declared
Legally Dead
Has Returned

LITTLE ROCK (AP)—Frank J. Wright, 68, a former North Little Rock man who was declared legally dead in August 1965, appeared Tuesday in Chancery Court here and asked that he be declared alive again.

Wright's attorneys told Chancellor Murray O. Reed they could not find any Arkansas court cases concerning the return of a person who had been declared dead.

Reed told the lawyers to search the law and court cases again and file briefs in 15 days. Reed delayed a ruling on whether Wright was legally dead or alive until he receives the briefs.

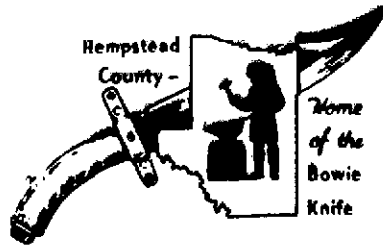

Wright said he had been living near Ash Fork, Ariz., for the past 20 years.

Man Charged
With Murder

PINE BLUFF, Ark. (AP)—Prosecutor Joe Holmes of Pine Bluff said Tuesday he had filed a first-degree murder charge against Sammy Smith, 23, of Wabbaseka.

The charge stems from the death of Hurley Baker Jr., 34, of Coy, who was shot six times with a .22-caliber pistol Sunday while in a pool hall at Altheimer.

Gibson Plans
Large New
Building Here

Announcement of plans to build a new 35,000 sq. ft. building for Gibson Discount Center in Hope, Arkansas was made today by V. E. Howard, Chairman of the Board of Howard-Gibco Corporation.

The Gibson Discount Store in Hope was opened in 1968 in a temporary location, the building formerly occupied by Safeway. The new store will feature full lines of merchandise in some 25 departments. New departments to be featured in the store will include a grocery department, including produce and meats, and a complete drug and pharmacy department. Other departments will include housewares, soft goods, shoes, sporting goods, hardware, toys, jewelry, automotive, and others.

Announcement of the new location will be made soon. The new store will accommodate parking for several hundred automobiles.

"Although our store in Hope has been limited in lines of merchandise because of the limited facilities of the building, we are grateful for the reception given our store in Hope. We have confidence in Hope and its trade area and we believe citizens of the community will appreciate the new Gibson store," Mr. Howard declared.

The Howard-Gibco Corporation now operates 28 Gibson Discount Stores in Texas, Oklahoma, Arkansas, Missouri and Kentucky. New stores are planned for 1971. Presently, the building of new stores is in progress at Little Rock and Cythiana, Kentucky.

"We expect 1971 to be a banner year in the history of our Company," the Chairman of the Board stated.

Pryor Favors
Fast Pullout

EL DORADO, Ark. (AP)—Rep. David Pryor, D-Ark., told the student body at El Dorado High School Tuesday that he felt he must do everything he could in the legislative process to bring about an end to the Vietnam War.

Pryor said he was in favor of a faster pullout of American troops from Vietnam.

The congressman also restated his opposition to President Nixon's supersonic transport plane program.

In New Year the Rich
Will Look Gloomy and
the Poor Less Hopeful

By HAL BOYLE
NEW YORK (AP)—What lies ahead in 1971?

Well, it won't all be fun. A glance into the old crystal ball suggests that what this year may well need most is a good cheerleader.

On the economic front, the picture is somewhat cloudy. Look for these things to happen: The rich will look gloomy and make their yachts last another year in order not to flaunt their wealth. The poor will look less hopeful and become more gropeful. And the middle class, the backbone of the nation, will go through the wringer even more, although for years it has felt as squeezed as a fat lady in a phone booth.

People who get a pay hike will find it wiped out as the price of steak and love nests goes up. Those who don't get a raise will get healthier and lose weight as they find themselves less able to afford to eat so high on the hog. More popcorn will be popped in the home as folks watch clean old movies on television because they can't ante up the dough to see naughty new movies in the film houses.

The government will promise to live within a miniskirt budget but will wind up with a maxiskirt one, as usual.

On the international political front: From Indonesia more and more U.S. soldiers will be sent

Presidential Hopefuls
Muskie, Ford on Bank
Campaign Fund List

By JAMES R. POLK
Associated Press Writer
WASHINGTON (AP)—Presidential hopeful Sen. Edmund S. Muskie, D-Maine, and House Republican Leader Gerald R. Ford are listed as receiving donations from a controversial bank campaign fund whose money was spurned by 18 other congressmen.

The Bankers Political Action Committee, now under investigation on two fronts, told Congress in a year-end report it wound up with \$120,000 it couldn't give away.

At least 16 representatives, all

Nixon Lashes
Old Congress,
Turns to New

By FRANK CORMIER
Associated Press Writer
SAN CLEMENTE, Calif. (AP)—

With the sound of his attack on the 91st Congress echoing through the near empty halls of Capitol Hill a continent away, President Nixon worked today on his greeting for the new Congress.

Nixon, spending the first day of at least a week's stay at the California White House, indicated he would be writing, sharpening his State of the Union address, which will renew calls for administration proposals rejected or not acted on by the 91st Congress.

Before leaving Washington Tuesday, the President said the just adjourned session "will be remembered and remarked upon in history, not so much for what it did, but for what it failed to do."

Republican congressional leaders said the attack was meant for the Democrats; congressional Democrats countered Nixon charges of failure with similar charges against the administration.

House Democratic Leader Carl Albert of Oklahoma answered back that it was the Nixon administration, not Congress, that will be remembered for what it failed to do—"for its failure to halt inflation, for its failure to stop rising unemployment, and for its failure to gain and hold the confidence of the

See NIXON LASHES

serving on the House Banking Committee, and two senators are listed as turning down checks from the bank group.

But the final report by the campaign fund shows six other senators and 37 congressmen received a total of 167,000 in contributions, almost all of it in the last few days before the election.

Muskie, a member of the Senate Banking Committee, got \$2,500 in campaign help from the group.

Ford and Democratic Whip Hale Boggs of Louisiana were listed as receiving bank fund contributions of \$2,000 each.

The bank report also shows \$1,000 given to Senate Republican Leader Hugh Scott of Pennsylvania.

A House investigating committee is due to send its findings to Congress next Monday after a two-month probe of the bank contributions.

Rep. Wright Patman, D-Tex., chairman of the House Banking Committee, asked for a Justice Department investigation also. Patman charged the bankers' donations were aimed at influencing the fate of a regulatory bill pending in the lame-duck session of Congress.

Of the 26 recipients listed in a pre-election report by the bank fund, all except eight rejected the contributions amid the controversy that resulted. Muskie was one of the eight whose campaign committees accepted the money, the final statement shows.

The bank fund, in its year-end report, said it also gave last-minute donations to 34 more candidates—all of them incumbents. And it added another \$2,500 for newly elected Sen. William E. Brock, R-Tenn., one week after he won his tight race over incumbent Albert Gore.

Searcy Doctor
Named to
Health Board

LITTLE ROCK (AP)—Gov. Winthrop Rockefeller's office announced Tuesday that he has appointed Dr. Jack R. Gardner of Searcy to a four-year term on the state Board of Health.

Gardner succeeds Dr. E. D. McKnight of Brinkley, whose term expired.

Rockefeller also appointed Mrs. Mary McLeod of Morrilton to a 10-year term on the Commission of Coordination of Higher Education Finance, succeeding Mrs. Beverly Lambert of Crossett.

Three reappointments were also made by the governor.

—Robert M. O'Neal of Little Rock, a three-year term on the state Collection Agency Board.

—Sam Clark of Malvern, a five-year term on the Contractor's Licensing Board.

—Dr. Warren Riley of El Dorado, a four-year term on the state Board of Health.

Cossatot Float
Trip Ends
With Charges

DE QUEEN, Ark. (AP)—Charges of trespassing have been filed against four Shreveport, La., residents in connection with a weekend float trip down the controversial Cossatot River.

On a complaint by C. T. Cregar, a landowner on both sides of the river where the U.S. 70-71 bridge crosses east of here, Deputy Prosecutor Garnet Norwood filed charges against Whitney Boggs III, Dr. Whitney Boggs, Wade Sample and Broox Garrett.

Each posted \$118.90 appearance bond and their cases were set for municipal court Jan. 22.

The river currently is involved in litigation. Conservationists have filed suit in federal court to halt construction of the Gilliam Dam on the Cossatot, urging that the river be left in its free-flowing state.

Labor Vows
to Battle
Strike Law

By NEIL GILBRIDE
AP Labor Writer
WASHINGTON (AP)—

Organized labor has vowed an all-out fight in Congress against President Nixon's attempt to win a new antistrike law and some other high-priority White House legislation.

"It's going to be a year of legislative fighting," said a spokesman for AFL-CIO President George Meany after Secretary of Labor J.D. Hodgson said the strike bill will have top White House priority.

"We will oppose compulsory arbitration any time, any place," the spokesman for the 13.6-million member labor federation said Tuesday.

Hodgson said the Nixon administration will press for the nation's first new strike law in a quarter century to deal with such "national emergency strikes" in transportation as the recently postponed nationwide railroad walkout. Congress on Dec. 10 passed a special law halting that strike, but it could resume March 1.

"Such strikes become something like an industrial H-bomb," Hodgson said.

The Nixon strike bill will be similar to one that got nowhere in Congress last year. It would give the president power to delay strikes up to 110 days, allow partial strikes against an essential industry or set up an impartial board to set a binding settlement.

Hodgson said other major Nixon goals in the new Congress include another try at the family assistance plan for welfare reform; turning most federal job-training programs over to the states; federal revenue sharing with financially strapped cities and states; further efforts to get more job opportunities for Negroes, and an attempt to curb what he called astronomical construction wage increases.

The AFL-CIO opposes some aspects of most of these programs.

"It's going to be a year of clashes with the administration on Capitol Hill," said the AFL-CIO spokesman.

He said labor generally approves Nixon's welfare reform to put a \$1,600 floor under all families, including the working poor, but will fight the administration's compromise with the Senate requiring recipients to work at jobs paying as little as \$1.20 per hour.

"We are against compelling people to work at substandard jobs at less than the \$1.60-per-hour minimum wage," he said.

The labor federation also opposes no-strings-attached federal revenue sharing with cities and states, he said, and demands that any job training bill provide money for public service jobs to put the unemployed to work. Nixon vetoed such a bill, saying he opposes creation of "dead-end" jobs at government expense.

Prisoner Late
In Returning

CUMMINS PRISON FARM, Ark. (AP)—Carl Jenkins, 36, of Fayetteville, who failed to return to prison here Tuesday from a meritorious furlough, finally returned Tuesday night, prison authorities said.

Jenkins was serving 14 years for second-degree rape from Washington County.

He left Dec. 31 on furlough and was due to return to Cummins at noon Tuesday. He told authorities he was late returning because he missed a bus.

Bumpers Names
Another Aide

LITTLE ROCK (AP)—Garry Brewer, 29, of Blytheville was named Tuesday as administrative aide to Gov.-elect Dale Bumpers for pardons, paroles and prison affairs.

Brewer, a native of Wickes (Polk County), is a graduate of the University of Arkansas Law School at Fayetteville.

U.S. Unveils Sweeping
New Plan to Combat
Drug Abuse Among GIs

By GEORGE ESPER
Associated Press Writer
SAIGON (AP)—The U.S.

Command today unveiled a sweeping new program to combat drug abuse among American forces in Vietnam. It includes search-and-destroy operations with marijuana plants as the target.

A 64-page directive to all field commanders estimated that more than 65,000 GIs were guilty of drug abuse during 1970, including more than 11,000 apprehended or investigated and five times as many who escaped detection.

It was the U.S. Command's first public acknowledgment that drugs have become one of its major problems.

The command said that of 9,253 drug violations by American troops during the first 10

Interest Rate
Again Cut by
Big Banks

NEW YORK (AP)—Chemical Bank of New York, one of the city's largest announced today it was cutting its prime interest rate to 6½ per cent from 6½ per cent and also dropping the basic rates it charges for consumer loans.

Chemical Bank Chairman William S. Renchard said the lower rates were warranted by general business and money market conditions. The lower rates are effective Thursday.

Renchard said the change brings the bank's consumer rates back to 1968 levels.

The Chemical Bank move follows a cut Monday in the prime rate to 6½ per cent by the First Pennsylvania Bank & Trust Co., of Philadelphia, and similar cuts by several of the nation's large banks in recent months. The prime rate is the rate a bank charges its biggest and best customers for loans.

Black Student
Suspensions
Withdrawn

WABBASEKA, Ark. (AP)—Supt. Joe Simpson of Wabbaseka schools said Tuesday that the district's school board had withdrawn suspensions of black students and the students have ended their school boycott.

About 300 students had been participating in the boycott of the high school for about two months.

The boycott began about two months ago after about 150 students were suspended for their activities in protest of the dismissal of two black instructors.

About 150 other students were suspended later for joining the boycott.

All Around Town

By The Star Staff

The American Contract Bridge League Foundation has designated the National Multiple Sclerosis Society as its beneficiary for 1971, and the Society will receive 90 per cent of the net receipts for this year's ACBL charity events.

The League maintains a Charity fund program and annually raises large sums for the advancement of medical research and science and for social welfare. The Hope Duplicate Bridge Club is one of the 6,000 clubs and units affiliated with the League.

Mrs. Steve Carrigan, Jr. is still recuperating in Little Rock from an illness of several months' duration. However, she has a new address: Crestpark, 6301 Lee, Little Rock, Ark. 72205.

AP News Digest

By THE ASSOCIATED PRESS
SAN CLEMENTE, Calif. (AP)—With the sound of his attack on the 91st Congress echoing through the near empty halls of Capitol Hill a continent away, President Nixon worked today on his greeting for the new Congress.

WASHINGTON (AP)—Organized labor has vowed an all-out fight in Congress against President Nixon's attempt to win a new antistrike law and some other high-priority White House legislation.

WASHINGTON (AP)—Robert J. Dole, a first-term senator whose political record has earned him presidential favor while dividing his GOP colleagues, will take over the Republican National Committee, according to sources in the party and close to the White House.

WASHINGTON (AP)—To FBI Director J. Edgar Hoover, 1970 was a very good year. He said today that more fugitives were located, more organized-crime figures convicted and more fingerprints checked than in any previous year in FBI history.

SAN RAFAEL, Calif. (AP)—The defense for black militant Angela Davis says it will move to have her trial held away from the Marin County courthouse where four men died in an escape attempt she is accused of helping plot.

SAIGON (AP)—The U.S. Command unveiled today a sweeping new program to combat drug abuse among American forces in Vietnam. The program—outlined in a 64-page directive to field commanders—includes search-and-destroy operations with marijuana plants as the target.

PHNOM PENH (AP)—North Vietnamese and Viet Cong gunners shelled Cambodian navy boats just before midnight Tuesday as they convoyed two gasoline tankers up the Mekong River to Phnom Penh, the Cambodian command announced.

Freeway Named
for Rep. Mills

LITTLE ROCK (AP)—Interstate 630 in Little Rock was officially named the Wilbur D. Mills Freeway in ceremonies Tuesday.

When completed, the 7.5 mile freeway, formerly known as the East-West Expressway, will link Interstate 30 on the east with Interstate 430 on the west. I-430 is now under construction.

The \$26 million project had been stalled with only about one mile completed until Rep. Wilbur D. Mills, D-Ark., announced on Nov. 12 that the federal government would pay 90 per cent of the cost of the road.

Welfare Dept.
Figure Dies

JACKSONVILLE, Fla. (AP)—Miss Beth Muller, former director of the Arkansas Child Welfare Department and one-time consultant to the U.S. Children's Bureau, died here Monday.

She had lived in Jacksonville since 1958.

Half Eligible
for Free Lunches

LITTLE ROCK (AP)—Under the new federal lunch program that went into effect Jan. 1, about half of the state's 414,158 school children are eligible for free or reduced price lunches.

The new federal law raised poverty guidelines for eligibility for free or reduced price lunches and required written eligibility from local school boards that no child would be the victim of discrimination in the program.

Laird Says
U.S. War Role
Ends by Fall

SAIGON (AP)—The U.S. Command, in a surprise move, has marked at least one brigade of the 1st Air Cavalry Division for withdrawal from Vietnam in March, informed sources said today.

The decision to pull out a brigade of the veteran combat unit as part of President Nixon's 6th phase cutback apparently reflects Pentagon thinking that the U.S. withdrawal should be accelerated.

Defense Secretary Melvin R. Laird said in Paris that all American combat responsibility in Vietnam will end in the fall of 1971 and that troop strength reduction is ahead of announced objectives.

It has been widely assumed by military officials in Vietnam that the last American units to be withdrawn would be the 1st Air Cavalry Division and the 101st Airborne Division, because of their helicopter mobility.

The two airmobile divisions each have more than 400 helicopters for use in combat and combat support operations.

The 1st Air Cavalry Division, composed of three brigades of about 6,000 men each, are the last full division of American troops in the 3rd military region, which includes the 11 provinces around Saigon.

The 6th phase pullout is intended to reduce authorized troop strength by 60,000 men on May 1 to a new level of 284,000.

However, because troop pullouts are already running ahead of schedule, it will cut actual strength to about 275,000 men. Actual strength at the end of the 5th phase on Dec. 31 stood at 335,000, about 9,000 ahead of schedule.

Precipitation
Forecast for
Arkansas

By THE ASSOCIATED PRESS
Precipitation is forecast for much of Arkansas tonight and the southern one-third of the state Thursday.

A slight warming trend was expected to move into the state this afternoon and will determine whether the precipitation takes the form of snow or rain.

Temperatures this morning were extremely cold as a massive arctic air mass continued to grip the state. In the northern portion of Arkansas, temperatures dipped below the 10-degree mark.

Lows tonight are forecast in the teens and low 20s north to mid 20s and low 30s south.

Highs Thursday should be in the 30s and low 40s.

Overnight lows include 8 at Fayetteville, 10 at Harrison, 15 at Jonesboro, 24 at Pine Bluff, 22 at Memphis, 19 at Little Rock, 15 at Fort Smith, 25 at Texarkana and 22 at El Dorado.

No rainfall was reported in the state during the 24-hour period ended at 6 a.m.

tension—including tourist restaurants and 40 new bathrooms. Far from collapsing, the report said, the Capitol "survives in relatively good condition, attesting to the excellence of its builders and to the concern of those responsible for maintaining this, the national monument to our republic."

The report, by the firm of Praeger, Kavanagh and Waterbury, said old columns should not be replaced merely because they are frayed and eroded by time, and concluded restoration can be carried out under congressional guidelines.

"The Capitol is 150 years old," the report said, "and should give an impression of venerable age, not a crisp newness that denies its historical background."

Required by Congress last year, the report goes to a congressional body whose name has been entirely consistent with its long-sought goals: "The Commission for the Extension of the Capitol."

That commission led and directed the successful drive to extend the Capitol's east front more than a decade ago.

It has since waged a campaign to do the same for the west front, contending that part of the building has so deteriorated it could easily give way, possibly leading to collapse of the building's central section and its towering dome.

California produces more garlic and onions than any other state.

Pilots Urged to Fight Air Pollution

WASHINGTON (AP) — The nation's private pilots were urged today to make use of their unique vantage points in the fight against air pollution.

The Aircraft Owners and Pilots Association asked private pilots, most of whom fly slowly and fairly low, to photograph instances of serious air pollution for local or national clean-air agencies.

In an editorial in the magazine Pilot, AOPA senior vice president Max Karant told the association's 158,000 members: "Photograph the plumes of smoke, record the date and time, and send the documents to local authorities."

"If they don't do anything, send it to AOPA and we'll see that the appropriate federal office gets it."

Karant said the AOPA pollution-picture program is not aimed at any specific industry or pollutant.

"I am confident that many industry people aren't fully aware how much area is affected by just one smokestack and that when they see the documented proof from above they will be more eager to take corrective measures," Karant said.

Karant, noting frequent appeals for cooperation in pollution control, added: "If all the public talkers really mean what they say, hardly anyone can help more than AOPA members going about their daily flights."

Hearing of Dancing Case Is Recessed

NORTH LITTLE ROCK (AP) — Municipal Judge Milton McLees Tuesday recessed a hearing in a case stemming from apparently illegal dancing in the lounge of a Holiday Inn here because of confusion over who sets policy.

The defendant in the case was Bill Cannon, 31, of Little Rock, an employee of the Holiday Inn North. He was arrested Saturday night after police detectives observed a scantily clad cocktail waitress dancing on top of a table.

The city has an ordinance prohibiting dancing in public places where beer is consumed. Cannon told McLees he only worked at the establishment and did not set policy.

Obituaries

ALBUQUERQUE, N.M. (AP) — Georgia L. Lusk, 77, former congresswoman from New Mexico, died Tuesday. Mrs. Lusk, a former school teacher, also had served a year as New Mexico schools superintendent in the 1930s.

TOKYO (AP) — Seihei Okuyama, 69, president of the Tokyo News Service, died today. The service publishes an English-language daily, the Shipping and Trade News. He was a cofounder of the Tokyo Evening News which later became the Asahi Evening News.

FALMOUTH, Mass. (AP) — Columbus O'Donnell Iselin, 66, director of the Woods Hole Oceanographic Institute from 1940 to 1950, died Tuesday. He had been injured in a fall at his home. His studies of ocean temperatures and currents aided the Navy in developing submarine warfare during World War II.

NIXON LASHES (From Page One)

country." Nixon said the Congress passed much valuable and useful legislation, but added it lost "the opportunity to write one of the most productive and memorable chapters in the history of American government" by not acting on a score of his proposals.

Topping the list were his welfare reform and revenue-sharing programs that he said "died of neglect."

Among the proposals for the 92nd Congress will be an expanded revenue-sharing program, the Family Assistance Welfare Reform Plan, a program to overhaul the federal system of grants-in-aid to states and localities, raises in military pay and Social Security benefits, a program to limit textile imports, and aid for schools that have special problems because of rapid desegregation.

To the new Congress, which also will be controlled by Democrats, Nixon declared: "Let us open the New Year in a new spirit. To that end I pledge the full cooperation of this administration."

He made another pledge, one to his Cabinet in which he said there will be no further changes. Nixon fired Interior Secretary Walter J. Hickel last year, Treasury Secretary David M. Kennedy resigned, and the Washington rumor mill claimed other changes were in the making.

One Jew on Trial in Russia

By ROGER LEDDINGTON associated Press Writer

MOSCOW (AP) — The court-martial of a Jewish officer in the Soviet army continued today in Leningrad, but the trial of nine other Jews has been postponed until next week, Jewish sources reported.

The government charges that all took part in the plot to hijack a Soviet airliner to Scandinavia last June so some of the conspirators could emigrate to Israel. Nine Jews and two Gentiles were convicted in the plot on Christmas Eve and face long terms in labor camps.

The informants said a verdict is expected Thursday in the military trial of Lt. Vulf Zalmanson, 31, who is charged with treason and desertion charges. His brother, sister and brother-in-law were among the earlier defendants.

Zalmanson could be sentenced to death on the treason charge and seven years in a labor camp for desertion, but it was not known what the prosecution was asking. Sources said that even Zalmanson's father was refused admission to the military trial when it began Tuesday.

Western correspondents have been forbidden to travel to Leningrad for any of the trials, and officials there refused to confirm that the Zalmanson trial had begun.

Relatives of the nine other Jews awaiting trial said court officials told them the hearing was postponed "at least until Monday" because defendant Lev Yagman, 30, was ill. They were given no information except that Yagman had a fever of 100.4 degrees.

L'Humanite, the French Communist party newspaper, reported today that no more Jews will be tried in Leningrad. "According to our permanent correspondent in Russia, Max Leon," the party organ reported, "a well informed source says that rumors spread in recent days in Western circles concerning the preparation of a new trial at Leningrad have no basis."

In Rome, the Italian Communist party said it has intervened on behalf of Jews in the Soviet Union and other East European countries. It said steps were taken with Soviet and other authorities "in the forms that were considered most opportune and efficacious."

The manner's compass was known in China in 1115 B.C.

Mekong River Battle Is Stepped Up

PHNOM PENH (AP) — North Vietnamese and Viet Cong gunners shelled Cambodian navy boats just before midnight Tuesday as they conveyed two gasoline tankers up the Mekong River to Phnom Penh, the Cambodian command announced.

It was the second attack on the convoy in less than 24 hours.

The command said one sailor was killed and three wounded in the ambush 39 miles southeast of the capital.

There were unofficial reports that one tanker was hit by recoilless cannon fire in the earlier attack, but the command announced only that seven sailors were wounded.

Premier Lon Nol's government has been forced to convey petroleum cargoes up the Mekong from South Vietnam since November when Communist troops cut Highway 4, the land link between Phnom Penh and the coast.

Gasoline now is severely rationed in the capital. Government officials said last month the city had less than three weeks' gasoline, but river convoys have reached the capital since then.

The Cambodian military spokesman announced today that Lon Nol inspected the southwestern front along Highway 4 this week and that his helicopter arrived at Kompong Seila soon after enemy mortar shells and rockets began falling there.

The spokesman said Kompong Seila, about 65 miles southwest of Phnom Penh, is the "center of resistance" and is under daily attack.

Dole to Take Over GOP Committee

WASHINGTON (AP) — Robert J. Dole, a first-term senator whose political record has earned him presidential favor while dividing his GOP colleagues, will take over the Republican National Committee, according to sources in the party and close to the White House.

Dole's appointment likely will come next week during the national committee's annual meeting here, the sources say.

The post opened up six weeks ago when President Nixon named the current chairman, Rep. Rogers C.B. Morton of Maryland, to replace fired Interior Department Secretary Walter J. Hickel.

Speculation had centered around Dole until mid-December when several Republican senators, including Senate GOP Leader Hugh Scott, opposed the Kansas senator and plans to announce President Nixon's choice by Christmas were scrapped.

U.S. UNVEILS (From Page One)

months of last year, 7,065 were for use or possession of marijuana, 1,432 for use or possession of such "dangerous" drugs as amphetamines, barbiturates or LSD, and 736 for use or possession of narcotics, mostly heroin or opium.

The Army also has reported that during the first 10 months of 1970, there were 25 confirmed drug deaths among Americans in Vietnam, another 64 fatalities in which drugs were suspected, and more than 700 hospital cases related to drugs.

The directive from Gen. Creighton W. Abrams, commander of U.S. forces in Vietnam, orders his subordinate commanders throughout the country to conduct ground and air search operations to locate marijuana plants, and to "utilize their resources, equipment and personnel in assisting the South Vietnamese government in eradicating the unlawful growing of marijuana," when the eradication work does not interfere with military operations.

The directive adds that while U.S. forces will search for marijuana, "under no circumstances will such fields, once discovered, be destroyed by U.S. forces. The responsibility for destroying these crops rests with the government of South Vietnam."

Although the directive apparently is the first formal statement that destruction of marijuana fields is an objective of U.S. policy, the burning of fields has been carried out in some areas for two years or more.

Weather

Sarver Happy With Proposed Prison Budget

LITTLE ROCK (AP) — State Correction Commissioner C. Robert Sarver said Tuesday that he was happy with a compromise budget proposed for the state Department of Correction.

The Arkansas Legislative Council reached the compromise with Gov.-elect Dale Bumpers Tuesday afternoon and approved a budget plan for the state penitentiary without dissent.

Under the compromise, the Correction Department would receive 1.85 million in general revenues in the next fiscal year and \$2.2 million in the following fiscal year, amounts which were recommended by a legislative committee.

In addition, \$386,000 would be added to the governor's emergency fund for use by the department if it is needed in the first year and \$402,791 would be available in the second year of the biennium.

The emergency fund money represents the difference between the general revenue budget Bumpers had recommended and what the legislative committee had proposed.

The proposal now goes to the General Assembly for consideration in the session beginning Monday.

In other action, the Legislative Council approved a motion by Rep. John Miller of Melbourne to recommend legislation that would move the correction offices from Little Rock to Cummins Prison Farm. The motion was adopted although some council members said they would like to know whether the transfer would cost the state more money.

Bumpers told newsmen after Tuesday's session that the compromise prison budget gave prison officials more "flexibility."

"It's a very suitable arrangement," Bumpers said.

The Legislative Council refused last week to recommend a budget for the Department of Correction and named the committee to propose an alternative to what Bumpers had suggested.

\$7.4 Million for Highway Projects

LITTLE ROCK (AP) — The Arkansas Highway Commission will open bids Jan. 27 on seven projects totaling \$7.4 million.

Included in the projects is completion of a section of Interstate 630 in Little Rock from near Pine Street to University Avenue. Estimated cost of the project is \$2.7 million.

Interstate 630, which has been officially named the Wilbur D. Mills Freeway, will link Interstate 30 with Interstate 430, which is under construction west of Little Rock.

Other projects, by county: CRAIGHEAD — Widening and resurfacing of about nine miles of Arkansas 18 from near the Jonesboro city limits easterly to about one mile west of Lake City. Estimated cost of the project is \$850,000.

CRITTENDEN — Resurfacing of Arkansas 40 from the Interstate 55 interchange east of West Memphis northwesterly for 1.7 miles. Estimated cost of the project is \$1.3 million.

DALLAS — Construction of three concrete slab bridges on and surfacing of Arkansas 229 from Arkansas 8 northwest of Fordyce northerly for 6.5 miles. Estimated cost of the project is \$225,000.

INDEPENDENCE — Surfacing and other improvements on one mile of Arkansas 167 in Batesville north of the White River Bridge to Main Street. Estimated cost of the project is \$415,000.

PHILLIPS — Surfacing of approximately 23 miles of Arkansas 44 from Elaine to Helena. Estimated cost of the project is \$275,000.

VAN BUREN — Surfacing and other improvements on Arkansas 65 from near Bee Branch to one mile south of Clinton. Estimated cost of the project is \$1.7 million.

Calendar of Events Thursday, January 7

Hope Chapter No. 328 Order of Eastern Star will have a regular meeting Thursday, January 7, at 7:30 p.m. Pot-luck will be at 8:30.

The Gardenia Garden Club will meet Thursday, January 7 in the home of Mrs. Charlie Kammerdiener with Mrs. Hilman Koen as co-hostess.

Friday, January 8

The Rose Garden Club will meet Friday, January 8 at 1:30 p.m. in the home of Mrs. Harry Shiver.

Monday, January 11

The Alpha Delta Chapter, Delta Kappa Gamma, will meet Monday, January 11, at 3:30 p.m. in the home of Miss Mary Roy Moses. Members are asked to note the change of date.

Tuesday, January 12

Chapter AE, P.E.O., will meet Tuesday, January 12, at 2 p.m. in the home of Mrs. E. P. Young, Jr.

Eastern Star Elects New Officers

Hope Chapter, No. 328, Order of the Eastern Star recently elected the new officers for 1971. Those elected were:

Worthy Matron, Mrs. Dean Murphy
Worthy Patron, Dean Murphy
Associate Matron, Mrs. Harold Trent
Associate Patron, Y.C. Coleman

Conductress, Mrs. Clovis Tittle
Associate Conductress, Mrs. Carter Russell

Secretary, Miss Jack Porter
Treasurer, Mrs. Ted Maryman
Mrs. Murphy made the following appointments:

Chaplain, Mrs. Eugene Jines
Marshall, Olen Purcell
Organist, Mrs. Troy Greenlee
Adah, Mrs. Kay Lauterback
Ruth, Mrs. Otis Fuller
Esther, Mrs. Delmar Irvin
Martha, Mrs. Troy Shelton
Electa, Mrs. Betty Sue Phillips
Warden, Miss Velma Goss
Sentinel, R.M. Jones

The officers will be installed on January 8, at the Masonic Temple Building on S. Main Street

The Installing Grand Officers will be Past Grand Matrons and Past Grand Patrons of the Grand Chapter of Arkansas. Mrs. Ida Eaves, Past Grand Matron, from Texarkana, will be the Installing Grand Matron. Mrs. Nina Warnock, P.G.M., of Magnolia will be the Installing Grand Marshall.

Jeff Laceyfield, P.G.P., of DeQueen will be the Installing Grand Chaplain and Dr. Bert O. Miller a Past Grand Organist, and Past Grand Patron, of Little Rock will be the Installing Grand Organist.

Other Grand officers are expected to be present.

Mrs. Murphy stated her appreciation for those who have accepted these offices of responsibility and extends an invitation to all friends and relatives of those being installed.

Dinner will be served at 6:30, at the Masonic Hall with the installation program beginning at 7:45.

Senior Citizens Meet

The Baber-Young-Williams Club of Senior Citizens met at 10:45 a.m., Tuesday, December 22, 1970, in the Community Room of the Douglas Building for their annual Christmas Party.

The Reverend Gordon Renshaw, guest of the club, gave the invocation. Candles and greenery were used to decorate the tables from which luncheon was served to 18 members and 7 guests.

Following luncheon, Mrs. N. Jewel Burns, President, introduced Mr. Austin Hutson,

President of the Lion's Club; he introduced Mrs. Don Johnson and Mrs. Joe Eason. They led and accompanied a Youth Choir from the First United Methodist Church who sang a melody of Christmas Carols.

The club members exchanged gifts and then Mr. Hutson's daughter, Cindy, presented each member a gift from the Lion's Club.

The club expressed their appreciation to Mr. Hutson and the Lion's Club for presenting such an enjoyable program and gifts.

The door prize was awarded Mrs. Vera Gough.

Coming, Going

Second Lt. and Mrs. Dick Willis have returned home to Selma, Ala., after visiting Mr. and Mrs. Elston Willis in Hope and Mr. and Mrs. J.C. Burke in DeAnn.

Coming from out of town for the funeral services Tuesday for Mrs. Lorraine W. Stokes were Mrs. W.H. Glover, Malvern; B.J. Glover, O.H. Wright, Mrs. Inez Young, Mrs. Doris Grubbs, Mrs. Hazel Jergens, Mrs. Charles Malone, Mrs. Helen Mack, Mrs. Gladys Harrison, Mrs. Lou Northworthy, Miss Virginia May Brannan, Mrs. Camille Cornmeyer, Mrs. Katherine Looper, Lamar Webb, all of Little Rock.

Mr. and Mrs. Don Kidd and son, Michael, have returned to Richmond, Ind., after a Christmas visit with Mr. and Mrs. J.T. Bowden.

Miss Judy Moses returned to Beaumont, Tex., Sunday after a visit with Mr. and Mrs. Perry Moses.

Dr. and Mrs. Jim McKenzie went to Memphis Sunday to see Mr. and Mrs. V.H. Nix, Jr. and family. They were joined by Mr. and Mrs. David McKenzie and family of Little Rock.

After a holiday visit with Mr. and Mrs. Charles Routon, Miss Ann Routon has returned to Mountain View, Calif.

Lt. Col. and Mrs. James Robert Fuller and son, Otis, have returned to Washington, D.C., after spending the holidays with Mr. and Mrs. Otis Fuller.

Seaman Harry Wafer, III, Bainbridge, Md., has returned to duty after a visit in Hope with the Harry Wafer, Jr. family.

Mrs. Sarah Soderman, Dallas, is visiting her cousins, Miss Mable Ethridge, Frank Ethridge, and Mrs. W.Y. Foster.

Pat McLaughlin of Virginia Beach, Va. and Austin McLaughlin of Texarkana were visitors in the home of Mr. and Mrs. Ruel Mullins the past week.

Mr. and Mrs. Jimmy Cornelius, Lisa and Judy Foley left Tuesday to return Kenny Mullins to Fort Polk, La. Kenny has been visiting in the home of Mr. and Mrs. Ruel Mullins.

1970 Was a Good Year for the FBI

By MARK BROWN
Associated Press Writer
WASHINGTON (AP) — To FBI Director J. Edgar Hoover, 1970 was a very good year.

More fugitives were located, more organized-crime figures convicted and more fingerprints checked than in any previous year in the agency's history, the FBI chief said today.

And, according to the FBI's arithmetic, it all was done at a profit.

"Fines, savings and recoveries in FBI investigations during the period reached the record figure of over \$422 million, a return of \$1.60 for every dollar appropriated for FBI operations," Hoover said in his annual report to Atty. Gen. John N. Mitchell.

However, Hoover reported a rise in new-left violence, aircraft hijackings and killings of police by black militants, and added:

"As long as crime continues to increase and dissident elements continue to strive violently to destroy our current way of life, law enforcement cannot afford to look back for long on past accomplishments, but must look ahead and seek new ways to meet old challenges."

HOPE (ARK.) STAR, Printed by Offset Wedding Vows Are Repeated

MRS. RICHARD McMURTREY

Miss Sandra Trexler became the bride of Richard McMurtrey Sunday afternoon in the United Methodist Church of Emmet. The altar was centered with an arrangement of white galdiolas and white mums interspersed with white tapers flanked by seven branch candlebras. The pews were marked with red satin bows. Dr. Leland Calaway, Professor at Southern State College officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Fred Trexler of Emmet. Parents of the groom are Mr. and Mrs. Vernon McMurtrey of Patmos.

Miss Ann Trexler, sister of the bride served as maid of honor. She wore a floor length gown of forest green velvet accented with bands of embroidered green flowers around the neck and waist lines. Her bandeau was of green flowers trimmed with seeded pearls. A veil of green illusion fell from the bandeau.

Denny Iker of Kansas City, Missouri served as best man.

Edward Cooper presented nuptial music and accompanied Miss Janet Holman of Magnolia as she sang, "Climb Every Mountain," "Walk Hand in Hand," and as the couple knelt the "Lord's Prayer."

The bride given in marriage by her father wore a formal gown of lace over peau de sole. It was designed in an empire silhouette with a lowered round neckline and long bishop sleeves. Her veil of illusion was attached to a cluster of white satin roses and trimmed with seed pearls. Her bouquet was a cascade of white glammellias and frenched white mums.

Mrs. Fred Trexler, mother of the bride wore a dress of red bonded knit with matching accessories. Mrs. Vernon McMurtrey, mother of the groom wore a biege dress with matching accessories.

Ushers were Don Oglesby of Russellville and Carl McMurtrey of El Dorado.

Following the ceremony a reception was held in the church annex. The bride's table was covered with a floor length cloth of white satin caught up at intervals with red satin bows and centered with a silver cupid epergne holding white carnations, baby's breath and red velvet hearts. The centerpiece was flanked with silver candle holders containing red tapers. At one end of the table was a three tiered wedding cake, at the other end a silver punch bowl. Serving in the house party were Mrs. Larry Hartness, sister of the bride, Mrs. John DeWoody, Mrs. Eddie McGarr and Mrs. Jimmy Burton.

For travel the bride chose a dress of bonded wool and wore a corsage of white glammellias.

After a trip to Acapulco, Mexico the couple will be at home in Chicago where Mr. McMurtrey is employed by Natural Gas Pipeline of America.

Lots of Bread

If half of the wheat and rye grown annually were turned into bread, there would be at least 100 one-pound loaves per year for each of the world's inhabitants

Cong Flagwaver Files Charge Against Actor

By BILL STALL
Associated Press Writer
SACRAMENTO, Calif. (AP) — A reported obscenity-spiced confrontation between actor John Wayne and a group of Vietnam war protesters waving Viet Cong flags was being investigated by police today. Wayne denied the incident occurred.

Gregory Kirkwood, 22, filed a complaint with police Tuesday seeking to have Wayne charged with disturbing the peace. Kirkwood said Wayne called him a dirty name.

Kirkwood told a reporter that Wayne became angered when he saw Viet Cong flags held by the protesters outside Memorial Auditorium Monday night after the film star and other top entertainers appeared at a gala marking the second inaugural of Gov. Ronald Reagan, a former actor.

A spokesman for Wayne, 63-year-old star of films dating back decades—many with patriotic war themes—said the actor was advised of reports of the incident and commented: "Mr. Wayne said there is no truth to the rumor or the story."

Kirkwood said he and his friends said nothing to Wayne, who came toward them on spotting the red and blue flag with a yellow star and shouted: "What

HELEN HELP US!

by Helen Bottel

TOO MUCH, TOO LATE

Dear Helen:
Looking back over 40 years, you can see the mistakes—when it's too late to change them.

I earned good wages. My wife is a good manager, so I let her take care of the money. As the years went on, we went out less and less. There was always an excuse—the children needed clothes, the trip "wasn't worth it," but mainly—"We're saving for retirement so we can enjoy ourselves."

So we sat in front of the TV, watched other people's travel movies, and our bank account grew. At first I tried to persuade my wife that spending for amusement wasn't a mortal sin, but the few vacations we took were never "right." She'd get tense and worried—like I was robbing her of her old age.

After awhile, the virus took hold of me, too. We'd have that pot of gold when we got to the end of the rainbow, and THEN—we'd

the hell is that?" Kirkwood said Wayne repeated the question, this time using an obscenity.

Police said the complaint would be routinely investigated and a report sent to the district attorney's office, which would decide whether a charge should be brought.

Live!
Last year I retired. My wife fought against it. "The money," she wailed. "What will we do without your paycheck?" I have an adequate retirement fund—over \$500 a month—plus a big savings account, enough to see us through until we're 110. Inasmuch as we won't live that long, I expected to go on the trips we denied ourselves and the children all those years.

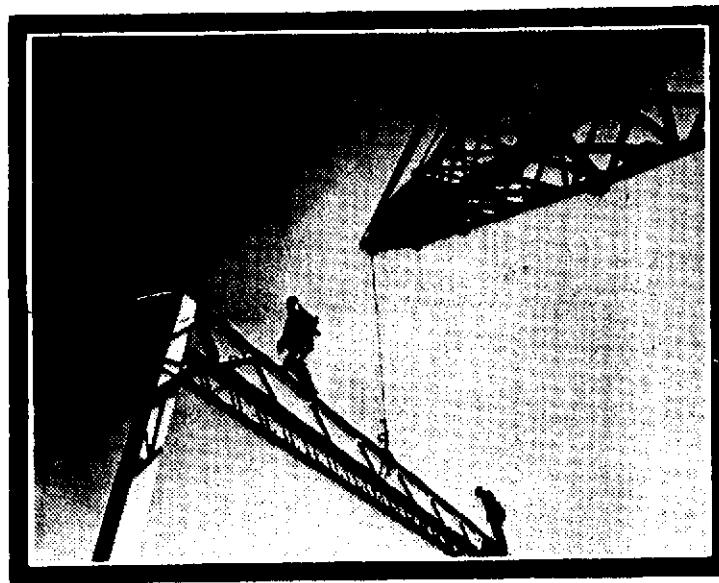

Or did I really? If my wife suddenly changed her tune and suggested a "round-the-world" cruise, I must be truthful and say I'd find excuses to stay home. The habit of years is too great. I no longer yearn for the travelling and enjoyment that I once thought would be great. It's too much trouble, making plans—and hearing her shudder at every check we write.

Advice won't help, Helen. I'm writing this only as a warning to young couples. Spend as you go! Don't save it for that "someday" or you'll get into such a rut that someday will never come. — MISER AGAINST MY WILL

Dear Miser:
Advice might help—if your wife were advised by the children, her doctor, pastor, friends—and YOU asked the advice of a travel agency who would take the "planning" hassle off your hands.

Rise up and assert yourself,

Our \$124,000,000 resolution for Happier New Years

In the decade of the Seventies, Arkansas families will need more and more electricity. And Arkansas Power & Light will be ready, willing and able.

That's why our 1971 construction budget totals \$124 million—the largest annual construction expenditure in our Company's history. The total represents an

investment of about \$335 for each of AP&L's 370,000 customers.

It's not an easy wire to walk . . . keeping up with your demands while keeping our Company in shape and looking ahead to the future. But it's the kind of responsibility that we accepted years ago. And this is still our resolution.

For Happier New Years, every year.

Sonny Liston, Ex-Champ, Found Dead

By MORTON L. SALTZMAN
Associated Press Writer
LAS VEGAS, Nev. (AP) — Former world heavyweight boxing champion Charles "Sonny" Liston was found dead by his wife in their luxurious desert home Tuesday night. Authorities said he may have been dead a week.

Geraldine Liston found her 38-year-old husband's body lying across a cushioned bench and their bed in the master bedroom of their \$60,000 home, Clark County sheriff's deputies said. L. Bud Gregg said today there was no suspicion of foul play. An autopsy was ordered to determine the cause of death.

Liston's ring career spanned the years 1953-1970. Once considered the strongest of all heavyweights, he won boxing's most cherished crown with a stunning first-round knockout of Floyd Patterson in Chicago on Sept. 25, 1962.

Liston defended his title twice. He knocked out Patterson in another one-round victory and then lost the crown in a seven-round defeat by Cassius Clay, now known as Muhammad Ali, Feb. 25, 1964.

Gregg said Liston apparently was undressing to go to bed when he flopped straight back with such force that a rail of the bench was broken. He was wearing shorts and a T-shirt.

Gregg said other clothes were found nearby and that an unfired pistol in a holster was on the dresser in the upstairs bedroom. A fingernail file was on the bed under Liston's 6-foot-1 body.

The split-level home in the Paradise Valley residential area two miles east of the Las Vegas Strip has a swimming pool and is next to a golf course.

Gregg said Mrs. Liston found the body between 8:30 p.m. and 9 p.m. after she had returned from St. Louis, where she was visiting her mother. Gregg said Mrs. Liston left Las Vegas Dec. 26, and after she was not able to reach her husband by telephone, returned home.

She told friends of Liston's death before authorities were notified.

Deputies said Liston was in an automobile accident Thanksgiving day in Las Vegas, was hospitalized for chest injuries and facial cuts, was released, but later was readmitted to the hospital when he complained of the chest injuries.

In losing to Clay, Liston fought a listless six rounds, then saw his title slip away when he failed to answer the bell for the start of the seventh round. He claimed he suffered an arm injury.

He was blasted to the deck by Clay's mysterious "phantom punch" in Lewiston, Maine, on May 25, 1965, in a rematch. Some thought it was the punch that ended Liston's career but he launched a comeback in 1966 and at his death had a record of 47-3.

Oklahoma Outscores Porkers

FAYETTEVILLE, Ark. (AP) — Bobby Jack scored 27 points Tuesday night as Oklahoma took a 115-100 intercollegiate basketball victory over the Arkansas Razorbacks.

Scott Martin scored 19 points and Andrew Petties scored 16 as the Sooners scored the most points they have ever scored in basketball. The old record was 105 against Illinois in 1963.

Vernon Murphy broke Arkansas school records with 19 free throws on 23 attempts. He scored 33 points. Murphy, who scored 39 points in Arkansas' last game, is the first Razorback in history to score more than 30 points in consecutive games.

Donnie Watts scored 22 points and Almer Lee hit 20 for Arkansas following a three-game layoff with an intestinal disorder.

The Sooners won their third straight and are now 7-2, while the Razorbacks dropped to 3-7.

Workman Is Traded to the Rockets

SALT LAKE CITY (AP) — Forward Tom Workman has been traded to the Denver Rockets for a "future high draft choice," the Utah Stars announced Tuesday night.

The trade was announced after the two American Basketball Association teams played in Denver.

Workman, who has asked to be traded because he wasn't getting enough playing time, averaged 10 minutes a game in 17 games for the ABA Western Division leaders. He averaged seven points a game.

Belinsky Is Quitting Baseball

LAS VEGAS, Nev. (AP) — Veteran pitcher Bo Belinsky said Tuesday he is quitting baseball.

"There is a time when every player has to step down and I think this year's is the right time," the 34-year-old southpaw said.

Belinsky's 14-year baseball career included major league stops at Los Angeles, Philadelphia, Houston, St. Louis, Pittsburgh and Cincinnati.

Marquette Rolls to 22 Win in Row

By BRUCE LOWITT
Associated Press Sports Writer
Marquette's third-ranked, undefeated Warriors wasted no time rolling to their 22nd successive victory—the nation's longest streak—while No. 14 Villanova waited until the intermission was over to post an impressive triumph.

The Warriors, 10-0 this season, racked up 10 straight points early in the game en route to a 78-63 trouncing of Chicago Loyola in Tuesday night's top collegiate basketball game.

But the Wildcats, leading North Dakota State by a slim 43-37 margin at the break, smothered the host Bisons with a second-half zone defense and stormed to a 94-61 victory, their 10th in 13 games.

In other major hoopla, Furman handed Davidson its first Southern Conference setback in 36 games, 84-75; St. Louis University turned back Southern Illinois 84-70; Minnesota rallied for a 92-87 overtime victory over Niagara; Oklahoma outscored Arkansas 115-110; East Carolina shelled Richmond 79-63 and New Orleans Loyola hung on to turn back hard-charging Hawaii 111-104.

Chicago Loyola led 6-4 when Marquette ran off its 10-point string to cruise to a 44-24 halftime spread. Sophomore center Jim Chones pumped in 27 points and Dean Meminger added 17 as the Warriors tied their own record for successive victories, set in the 1954-55 season.

North Dakota State hit 53 per cent of its first-half field goal attempts before Villanova's tough defense forced the Bison to shoot from the outside, where their accuracy fell apart.

Clarence Smith's 21 points, Tom Ingelsby's 19 and Hank Siewonkowski's 18 paced Villanova while Mike Kuppich scored 21 for NDS.

Furman's Paladins put together a balanced attack with five players in double figures to drop Davidson's season mark to 6-3 and its conference record to 3-1. Furman, also 6-3 overall, is 2-0 in loop play. Russ Hunt was the top Paladin with 17 points and Steve Kirley the Davidson leader with 16.

St. Louis, trailing 26-21 with 6:41 to play in the first half, hit 14 consecutive points to take a 38-30 halftime lead, then expanded it to as many as 18 points in the second session. The Billikens were paced by Carlos Martinez' 22 points while Greg Starick was high for the SIU Salukis with 20.

Ollie Shannon sat out Minnesota's first half with an ankle injury, then hit 15 second-half points as the Gophers, back by as many as eight, knotted the score 75-75 at the end of regulation play.

Jim Brewer, who led the winners with 24 points, put them ahead to stay with their first two field goals of the overtime. Al Williams had 27 for Niagara.

Vernon Murphy of Arkansas broke school records with 19 free throws and 23 free throw attempts—but his game-high 33 points weren't enough to cool off the Sooners, who scored the most points in their history, Bobby Jack hit 27 for Oklahoma.

East Carolina's Pirates held Richmond without a point for nearly 10 minutes while scoring 22 of their own, shooting a sizzling 71 per cent in the second half. Jim Fairley's 21 points paced the Pirates. Mike Anastasio had 18 for the Spiders.

New Orleans Loyola shot 71 per cent from the field in the first half to build a 63-50 halftime lead, only to have Hawaii tie the score at 100-100 before the Wolfpack, led by Ty Marieaux' 31 points, pulled away. Al Davis of the Rainbows was the top point man with 35.

In other action, South Alabama defeated Pepperdine 74-68 to capture the Senior Bowl tourney's championship and Trinity University of San Antonio, Tex., beat Virginia Military Institute 95-70 in the consolation game, heavily favored Providence blew a 27-point halftime lead before beating Rhode Island 98-92, Northwestern beat the Australian Nationals 74-71, Baylor walloped Sul Ross 115-77, Buffalo State beat Albany State 60-53 and East Stroudsburg belted Scranton 108-89 in the championship semifinals of the Pocono Classic and Wisconsin-Green Bay tipped Stetson 67-66 for the Stetson-Hatter Invitational crown.

President's Grid Bowl Proposed

By FRANK ECK
AP Newsfeatures Sports Editor
NEW YORK (AP) — A President's Bowl football game to be played in Washington is only in the embryo stage at the moment but there are many who feel such a contest will become one of college football's showcase games of the future without interfering with the annual Army-Navy classic.

Plans for the game will be proposed by the National Football Foundation and Hall of Fame on Saturday when the Extra Events Committee of the National Collegiate Athletic Association meets in Houston prior to next week's annual NCAA convention.

Chester J. LaRoche, chairman of the NFF and Hall of Fame, will be in Houston for the NCAA meetings. Both LaRoche and Vincent DePaul Draddy, NFF executive committee chairman, have expressed a keen interest in the game.

It is hoped that the game, to be played in the 51,000-seat R. F. Kennedy Memorial Stadium in Washington, D.C., Dec. 11, will have as the host team one of the three major service academies—Army, Navy or Air Force.

Southern S. Stays on Top of Standings

By THE ASSOCIATED PRESS
Southern State remained on top in the Arkansas Intercollegiate Conference basketball standings with a 57-50 victory over State College of Arkansas Tuesday night. The victory pushed State's league record to 7-0.

Johnny White led all scorers and was high-point man for Southern State with 29. T. J. Johnson scored 15 points for SCA.

In other AIC action Tuesday night, Arkansas Tech edged Hendrix College 94-90, Harding rolled over College of the Ozarks 98-84, Arkansas A&M defeated the University of Arkansas at Little Rock 93-81, and Henderson blasted Arkansas College 81-53.

Arkansas A&M set a new school record with 70 rebounds while defeating UALR. Tommy Morrison of A&M scored 33 points and was the leading rebounder with 15. Tom Butler scored 23 for UALR.

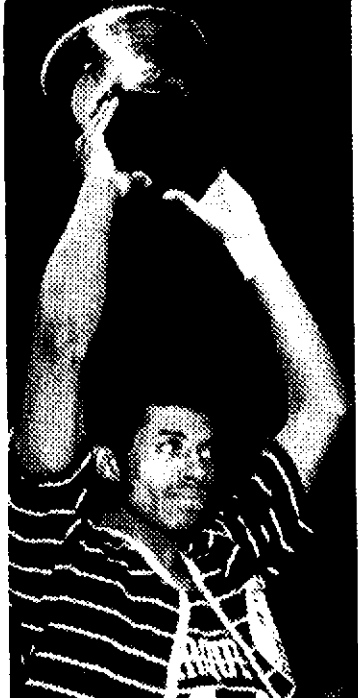

Harding picked up its first AIC basketball victory while Ozarks has yet to win a game in six starts.

Arkansas Tech jumped off to a 58-39 halftime lead but had to fight off a furious comeback by Hendrix to preserve the victory. Tech had four men in double figures. Leading scorer was Terry Hankton with 25.

THREE OF THE BEST PLAYERS in college basketball this season figure to be Dean Meminger, left, of Marquette, who was the Most Valuable Player of last year's National Invitational Tournament; Austin Carr, center, of Notre Dame, who was second-leading scorer in the country last season to Pete Maravich, and Curtis Rowe, right, leading rebounder for UCLA, which has won the last four NCAA championships.

Track Union to Protect Athletes

By DAN BERGER
Associated Press Sports Writer
LOS ANGELES (AP) — Four former world record holders have formed a union for track and field athletes with the hope they can get better training facilities and treatment for athletes—or else.

Called United Amateur Athletes—the reverse of the AAU, Amateur Athletic Union—the new group plans to lobby for athletes and will boycott televised track meets "if track in this country doesn't improve in favor of the athlete," a spokesman says.

"We don't want to make the rules," says the spokesman, Gary Power. "We only want protection for amateur athletes and an upgrading of the sport."

"And if things don't get better soon, we plan to strike the television meets because that's where it'll hurt. Those TV meets bring in good money."

Power said the group wants better training facilities, a national training site and a say in who coaches athletes heading for Olympic competition.

"We have commitments from at least 50 top athletes and even a few college guys who are willing to take the consequences," Power said.

Power, one of the world's top high hurdles with a best of 13.5 seconds, met Tuesday night with other founders of the group including the four ex-world record holders, pole vaulter John Pennel, hammer thrower Hal Connolly, decathlon performer Russ Hodge and 400-meter runner Mike Larrabee.

Power explained: "Athletes who have graduated from college have nothing to lose by joining our organization. And we tell those who are in college, 'Look you're liable to get nailed by your school if you join us because they may take your scholarship away. But if you make this choice, we'll back you all the way.'"

"We're only a few months old as a group but we've already got enough power to really give

Taylor Pro, defensive man of the year, is shown in action during a game.

Track Union to Protect Athletes

By ED SCHUYLER JR.
Associated Press Sports Writer
NEW YORK (AP) — Bruce Taylor, the cornerback and punt return specialist who keyed San Francisco's upset of Minnesota, was named by The Associated Press today as the National Football League's Defensive Rookie of the Year.

Taylor, who joined the 49ers out of Boston University, received 23 votes from a special panel of sports writers and sportscasters.

Jim Files, the New York Giants middle linebacker from Oklahoma, was second with 14 votes in the balloting that encompassed both the National and American Conferences. Previously separate polls were conducted for the National and American Football Leagues.

Mike Reid, Cincinnati's puno-playing tackle from Penn State, was third and the high vote-getter for the American Conference with nine.

Quarterback Dennis Shaw of the Buffalo Bills was named top offensive rookie Tuesday.

"Punt returns are my thing," says Taylor who didn't score any touchdowns doing his thing but did it well enough to lead the National Conference by returning 43 punts for 516 yards and a 12-yard average.

"You have to like to return punts," says Taylor whose longest return was a 76-yarder against Chicago. But his two big ones were of 30 and 20 yards that set up touchdowns in San Francisco's 17-14 upset of Minnesota in the divisional playoff.

At cornerback, one of the most difficult positions to play, Taylor intercepted three passes and returned one 70 yards.

Others receiving votes were backs Ken Ellis of Green Bay, Lemar Parrish of Cincinnati and Jake Scott of Miami, ends Jim Mitchell of Detroit and Cedric Hardman of San Francisco and linebacker Bob Babich of San Diego.

Taylor Pro, defensive man of the year, is shown in action during a game.

Top Teams Retain Their Position

The top four teams in The Associated Press College Division basketball poll retained their positions Tuesday and Tennessee State took a big step up at Oral Roberts' expense.

Top-ranked Kentucky State, which outlasted Wiley 106-100 to lift its record to 6-0, collected eight of the 17 first-place votes by the nationwide panel of sports writers and sports broadcasters and received a total of 284 points in the balloting.

No. 2 Southwest Louisiana, 10-0, which trailed the first-place Thorobreds by 39 points a week ago, received three top-spot votes to close the gap to 22 with 262 points. Third-ranked LSU-New Orleans, also with three first-place votes, tallied 241 points and Stephen F. Austin, with one, totaled 197.

Tennessee State vaulted from 10th to fifth on the strength of its 89-55 romp over Oral Roberts last week. The Titans fell from eighth to 15th in the balloting.

Filling out the Top Ten were Ashland, which held onto its No. 6 post; Kentucky Wesleyan, up from 11th place, Louisiana Tech, up from 12th, and, in a tie for ninth place, Eau Claire, 15th a week ago, and Fairmont State, whose one first-place vote helped it climb up from 19th. The only other first-place vote went to No. 17 Central Washington.

Offs. "I have my own way of doing it," says Taylor, of Perth Amboy, N.J., who also ran back 12 kickoffs for 190 yards. "I watch the ball as soon as it is kicked and decide where it's going. Then I watch the coverage and try and find a hole. After I decide where I'm going, I concentrate on catching the ball."

At cornerback, one of the most difficult positions to play, Taylor intercepted three passes and returned one 70 yards.

Others receiving votes were backs Ken Ellis of Green Bay, Lemar Parrish of Cincinnati and Jake Scott of Miami, ends Jim Mitchell of Detroit and Cedric Hardman of San Francisco and linebacker Bob Babich of San Diego.

State Sets a School Record in Scoring

JONESBORO, Ark. (AP) — Arkansas State set a single-game scoring record as the Indians blasted Southeast Missouri 116-77 in basketball action here Tuesday night.

ASU had five men in double figures as the Tribe connected for 60 per cent from the field. Center John Belcher hit 11 of 14 from the field and finished with 25 points to capture scoring honors. The 6-9 junior grabbed 14 rebounds and led the Indians to a 53-26 advantage on the boards.

Jim King led Southeast Missouri with 14 points.

Bad 5th But Davis Wins Bowling Open

ST. PAUL, Minn. (AP)—Despite a horrendous 149 fifth game, Dave Davis of Miami continued to set the pace in the \$75,000 U.S. Open Bowling Tournament in St. Paul Tuesday at the completion of two rounds of qualifying.

The lanky southpaw, winner of two PBA national championships, came back from the 149 game to finish his second game block with 262 and 247 games and a 1,744 total. Added to his 1,802 leading first round total, Davis sports a 16-game tally of 3,546.

He needed those two big games at the finish as Bob Shank of Lorain, Ohio, a rookie on the pro tour, also had a strong finish to pull into second place. Shank added 1,758 Tuesday to his opening 1,752 Monday and sports a 16-game set of 3,510.

Second-year pro Jimmy McHugh of Newark, N.J., rolled in-

Casper Starts Defending His Crown

LOS ANGELES (AP)—PGA player of the year Billy Casper starts defending his crown Thursday in the Glen Campbell-Los Angeles Open, the first stop of 1971 on the richest of all pro golf tours.

The sedate, 39-year-old Casper used the L.A. Open last year as a springboard to one of his better seasons, \$147,000 in winnings and four tournament titles including the prestigious Masters.

But he has a sparkling field likely to be one of the best on the winter tour arrayed against his here as the pros inaugurate a 63-tourney swing that goes through Dec. 12 and has about \$7.1 million up for grabs.

Opposing him are most of the record 16 men who won more than \$100,000 last season, including the aging, frustrated but grimly determined Arnold Palmer.

Palmer won more than \$128,000 last year, finished second three times but failed—for the first time in 15 years—to nail down an individual title.

The tournament, a 72-hole affair that begins Thursday on the Municipal Rancho Park Golf Club Course, has increased its total value to \$110,000 this year and entertainer Campbell added his name to the title.

Explosive 3rd Period Keeps Utah Ahead

By THE ASSOCIATED PRESS Utah's explosive third period kept the Stars two games ahead of the pack in the American Basketball Association West Tuesday night while Pittsburgh's defensive collapse in the fourth quarter dropped the Condors into last place in the East.

The Stars reeled off 14 points in a row to open a 67-49 lead against Denver, then coasted to a 114-99 triumph. The Condors, victimized by Texas' 46-point fourth period, fell to the Chap 142-133.

In the only other ABA game Indiana turned back Memphis 92-88. In National Basketball Association play Baltimore beat Seattle 109-101. Detroit stopped Atlanta 98-90. Portland nipped Boston 124-120. Chicago slammed San Diego 116-103. Philadelphia edged San Francisco 97-92 and Cincinnati clobbered Los Angeles 146-112.

With Utah's Wayne Hightower and Zelmo Beaty dominating the backboards, the Stars kept Denver from getting closer than a dozen points and thus retained their slim margin over second-place Indiana.

Merv Jackson and Don Freeman led Utah with 21 points apiece while Rockets rookie Ralph Simpson hit 26.

Joe Hamilton's 28 points, Glen Combs' 24 and Rich Jones' 23 led Texas' balanced attack. Pittsburgh's John Brisker hit 21 in the fourth quarter to take scoring honors with 47 but it wasn't enough to keep the Condors from slipping into the cellar, one-half game back of fifth-place Carolina.

Indiana opened a four-game margin over third-place Memphis after squandering a 12-point second-half lead against the Pros. Fred Lewis led the Pacers with 26 points.

to third place on the second best series of the day, an 1,814 total. He had games of 266, 223, 218, 223, 197, 235, 226, 226.

Bob Strampe, a veteran Detroit pro and a former National All-Star champion, rolled the best round of the second day's action, an 1,827 set on games of 256, 205, 213, 225, 203, 235, 216, 267. That set helped Strampe vault into fifth place.

The top league bowlers are Dick Ciprich of Buffalo, N.Y., and Jim Maxey of Atlanta. They have 3,411 totals.

Picks Turning Point for Maple Leafs

MINNEAPOLIS-ST. PAUL (AP)—When the Buffalo Sabres made such a ballyhoo over their 7-2 victory against Toronto Nov. 18, Coach John McLeLlan said his Maple Leafs became a winning National Hockey League team.

"From then we started to realize that nobody feels sorry for you in this game," said McLeLlan, "and you can't feel sorry for yourself. You just have to work yourself out of a slump."

Work, the Maple Leafs did. On Dec. 8, the Leafs lost 4-0 to Pittsburgh. However, they've won 11 of 12 games since to rise from the East Division cellar to a solid fourth place only five points behind Montreal.

The Maple Leafs, with veteran Jacques Plante posting his third shutout of the season, made the Minnesota North Stars their latest victims 2-0 in the only NHL game Tuesday night.

The North Stars and Leafs meet again tonight in Toronto while Vancouver plays at Montreal, Los Angeles is at Chicago and St. Louis goes to Oakland to meet California.

Plante stopped 29 Minnesota shots as Toronto won its fourth straight. The only loss the last month has been against the North Stars, 6-3 Christmas night.

McLeLlan, in his second season on the Leafs' bench, had a way of firing of his team before meeting the North Stars.

Pro Golfers Buy Beaver Lake Course

ROGERS, Ark. (AP)—Six professional golfers, five prominent on the PGA tour, have bought the Prairie Creek Country Club and golf course near

Beaver Lake in Northwest Arkansas.

The golfers are Richard Crawford of Little Rock, Charles Coady of Abilene, Tex., Jim Colbert of Kansas City, Mo., Labron Harris Jr. of Stillwater, Okla., Hale Irwin of Boulder, Colo., and Hogan Rountree of Rogers, a longtime club pro in Arkansas.

Rountree said the touring

North-South vulnerable				
West	North	East	South	
Pass	Pass	1 ♠	1 N.T.	
Pass	Pass	Pass	Pass	
Opening lead—♣ 4				

The 1970 blue ribbon pairs was won by internationalist Ira Rubin of New York playing with Charles Burger of Detroit. The new partnership obtained one of the many top scores by setting South three tricks at a one no-trump contract.

Chuck opened his fourth best club. He decided that his ace of spades would be worth more if he held it back and waited for someone to lead the suit to him. It sure was!

Ira won the first trick with the ace and returned the suit. Chuck's 10 covered declarer's nine and held the trick. A third club knocked out dummy's king. Ira discarded the four of spades.

South might well have taken his other four top tricks and conceded down two, but he wanted to try for more. He led a diamond to his ace and a second diamond toward dummy's queen. That queen lost to Ira's king and Ira cashed his jack.

South discarded the three of spades and Chuck let the deuce of hearts go. This clearly told Ira to lead a spade and he did just that. Chuck won with the ace and cashed his two good clubs.

Poor South had to make two discards. The first was easy. He jettisoned the six of hearts. The last was a lot harder. He couldn't afford to unguard his queen of spades so he had to throw away one of his three top hearts. Now it was simple for Chuck to put South on lead with a heart and let Ira take the last two tricks with his king and jack of spades.

♥♦♣ CARD Sense ♦♣♥

The bidding has been:

West	North	East	South
1 ♥	Pass	Pass	1 ♠
Pass	2 ♦	Pass	?

You, South, hold:

♠ K 6 ♥ A 9 7 ♦ K Q 4 ♣ A Q J 3 2

What do you do now?

A—Bid three diamonds. Your partner doesn't have much of a hand, but he may have enough for game. In any event three diamonds should be safe.

TODAY'S QUESTION

Instead of passing, your partner has bid two diamonds directly over West's one heart. What do you do now?

Answer Tomorrow

WORLD ALMANAC

FACTS

The colloquial term "two bits" was used to describe the U.S. quarter-dollar piece authorized in 1792. The World Almanac says the term was derived from the colonial six-penny "bit," which was equal to one Spanish real. A quarter was equal to two Spanish bits.

Haywood Could Not Win for the Sonics

By BRUCE LOWITT

Associated Press Sports Writer
Spencer Haywood did his thing once again—and Baltimore joined the list of National Basketball Association teams doing theirs.

Haywood, recently signed by Seattle after becoming disenchanted with his contract with Denver of the rival American Basketball Association, was on the court again Tuesday night.

But the 6-foot-9 star, last season's ABA Most Valuable Player, couldn't keep the Bullets from shooting down the Super-Sonics 109-101.

In other NBA action, Detroit whipped Atlanta 98-90, Portland edged Boston 124-120, Philadelphia beat San Francisco 97-92, Chicago clubbed San Diego 116-103 and Cincinnati stomped Los Angeles 146-112. In the ABA, Indiana nipped Memphis 92-88, Texas blitzed Pittsburgh 142-133 and Utah trimmed Denver 114-99.

Despite winning, the Bullets announced they were filing a protest against Haywood's presence, becoming the sixth NBA team to take issue with Seattle's acquisition of the former University of Detroit star.

The clubs contend the Sonics violated an NBA rule which prohibits the signing of a player before his college class is graduated. Haywood, whose class graduates this June, turned pro after his sophomore year.

Several teams are also insisting that Haywood's name be placed in the upcoming NBA draft and say Seattle's action could result in wholesale raids of college players by the pros.

But Len Wilkens, the Sonics' player-coach, replied: "We're not the ones who are violating the rules. The ABA already has. 'He's not a college player,' Wilkens said. 'He's a pro. He is in the open market. I get tired of other teams suing us because we signed him. They wanted to sign him too.'"

Wilkens led Seattle against Baltimore with 27 points while Haywood scored 14, equalling the output in his NBA debut Monday night, a 124-110 loss in Milwaukee.

The Bullets, overcoming a nine-point deficit, rallied in the final period as Earl Monroe hit 10 of his 24 for points. Gus Johnson also tallied 24 for the Central Division leaders.

Howard Komives' six points in the final four minutes enabled the Pistons to break an 86-86 tie and pull away from Atlanta. Otto Moore topped Detroit with 22. Lou Hudson of the Hawks hit 32.

Portland opened a 12-point fourth-quarter lead, then had to scramble to fight off Boston in the opener of a doubleheader in Philadelphia's Spectrum. Geoff Petrie and Rick Adelman, who led the Trail Blazers with 28 and 27 points respectively, hit the clutch baskets that sank the Celtics, led by JoJo White with

12 points.
